## **Gulls Academy Scholarship**

At GHFC Gulls Academy we do our best to keep participation cost low to allow as many athletes the opportunity to compete as possible. Understandably there are times where an athlete may simply not be able to pay for the costs associated with Select and Premier level of competition. We offer Scholarship opportunities for those athletes. Below are the requirements an applicant must meet. Scholarships are sliding. This means that an applicant may not receive a full scholarship but qualify for or only need a partial. Consecutive scholarships are permitted but may require documented improvement or achievement.

### **Requirements**

GHFC will have requirements to any player who is granted a full or partial scholarship. Scholarship recipient players must:

- 1: Adhere to all Club rules and regulations at all times.
- 2: Participate in ALL Games Tournaments and Practices (Absence is acceptable with appropriate cause and notice. If an absence will be seen as unexcused, the player will be notified within 24 hours of notice of the absence to allow for rescheduling. Unexcused missed practice may be made up at the discretion of your coach)
- 3: Participate in All GHFC fundraisers.
- 4: Participate in or volunteer at no less than 80% of GHFC events. (Camps, Clinics, Fundraisers, Meetings, Special events)
- 5: Must submit all documents and paperwork prior to receiving scholarship award.
- 6: A submitted letter of consideration explaining your situation and personal achievement expressing why you should receive the scholarship.

### **Submission**

Please provide to GHFC the following.

Total household size:

Approximate Household Income:

Applicant School Name:
