

## Grays Harbor Football Club

### Gulls Academy

#### Fundraising

GHFC supports the majority of its programs through group fundraising. As such all club members will be expected to participate in fundraising in some way. It is important to note that no administrator or coach will be permitted to conduct a fundraiser without authorization from no less than two Board Members. All proceeds generated from fundraising will be turned into club administration for distribution. Funds will be distributed as follows unless express written approval is granted.

Funds obtained from fundraising will be distributed in order as follows:

- To be used to cover any prepaid costs and costs incurred to hold the fundraiser.
- To pay for the advertised goal of the fundraiser.
- To pay for existing programs not yet at goal.
- To pay for future programs and events.

At no time will funds be paid to individuals for participation or awarded as a bonus. At no time will any funds be used for personal gain. GHFC is a nonprofit and is required to account for and appropriately distribute all generated funds to further the development of the organization and its players.
